Dear Sir:-

I have been referred to you as a Numismatist by Asst. Coiner of the Mint, Mr. Robert Clark, formerly Mayor of our city, with whom I am acquainted, & would be very glad to know the value of a $3.00 Gold piece 1854, any catalogue you may have on other rarities would be pleased to have you send

me one as I have other coins,
which I think may have a value
to them, also tell me if or not you
buy them, or who does buy them,
hoping to receive an answer from
you I would be pleased to have it.

Very Respt. Yours
